

## **General Plan 2030 Advisory Team Volunteer Application**

**APPLICATIONS DUE JULY 19, 2002**

**APPOINTMENTS MADE AUGUST 1, 2002**

The City of Tempe is seeking applications for an advisory team to assist in the development of a new General Plan. For long range planning, applicants should have a sense of history and an understanding of how Tempe has evolved: preference will be given to applicants who have lived or operated a business in Tempe for five or more years. Applicants should be interested in Tempe's future, active in the community and familiar with the General Plan. Active members of Boards and Commissions have committed time and talents to their respective groups and will participate in the planning process separate from this advisory team. Therefore applicants who are not currently serving on a board or commission may be given appointment preference.

Applicants are committing to participating in meeting from July 2002 to December 2003. Meetings will be twice a month for first few months and every other month, or as necessary, thereafter. The team members will determine meeting dates and times. If a position becomes vacant mid-term, applications will be reviewed for a new appointment, and new members will be required to familiarize themselves with the process up to their starting date. Non-appointed applicants are therefore encouraged to attend meetings throughout the process.

Application does not mean automatic appointment. The Advisory Team may be comprised of up to 24 members proportionally representing eight geographic areas (see map and explanation of proportional representation on page 3). Mayor and Council will appoint members based on geographic representation and a combination of criteria outlined in the application on page two.

The General Plan 2030 Advisory Team will be responsible for the following tasks:

- Review existing plan and collected data
- Review proposed document outline
- Assist staff in developing element goals and objectives
- Assist staff in introducing the public to the planning schedule, public process, collected data, and document outline.
- Receive and review public input throughout process
- Review and advise on drafts of the plan
- Meet with neighborhood groups, civic groups, etc. to update on progress of document
- Provide input to Planning & Zoning Commission and Council

Staff will be responsible for:

- Developing the plan schedule
- Interpreting legislation
- Designing, organizing and writing the document

Planning & Zoning Commission and City Council will be responsible for:

- Reviewing and providing comment on plan drafts
- Hosting public hearings
- Approving and Adopting the document

Name: \_\_\_\_\_ Representing \_\_\_\_\_ Geographic Area

Address: \_\_\_\_\_

Phone: \_\_\_\_\_ E-mail: \_\_\_\_\_

Business: \_\_\_\_\_ Place of Employment: \_\_\_\_\_

Occupation: \_\_\_\_\_ Years living / working in Tempe: \_\_\_\_\_

- ☐ Phone number on the website and waterbill?
- ☐ Email on the website and waterbill?

Why are you interested in serving on the General Plan Advisory Team?

\_\_\_\_\_  
\_\_\_\_\_

The advisory team is representative of the four zip code geographic areas. To balance representation between the east and west sides of the city, geographic areas were then divided in half at Rural Road. Three representatives from each area will be selected, based on residence, place of business, or non-profit/faith/educational affiliation.
